REMARKS

Claims 1-36 remain in the subject patent application. Claims 37-40 are canceled herein without prejudice.

Formalities

By this amendment, claims 1, 9-11, 15-17, 20-23, 25-30, 33, and 36 are amended. The amendments to the claims are supported by the amendments to the specification and new FIGs. 5-8. At least some of the amendments to the specification and at least a portion of new FIGs. 5-8 are new matter. The newly added matter is supported by a declaration, filed herewith, from the inventor who is also the inventor of the parent application of which this current application is a continuation-in-part.
